Campus Crime Awareness/Security Report

A safe school is everyone's responsibility. Each student and employee should follow security policies and procedures to ensure the safest possible environment. Programs occur throughout the year that help attendees become more aware of crime and, more importantly, how to help prevent it. Programs on topics such as acquaintance/date rape, operating under the influence (OUI), and alcohol and drug education occur on campus. Programs regarding self-defense, women's issues, harassment, preventing theft in the dorm and others also occur on campus. All members of the campus community are encouraged to attend; look for notices in the weekly newsletter and on campus bulletin boards.

Adding significantly to the campus' overall sense of security is the college security department. While empowered to control and/or apprehend individuals violating laws or policies governing the safety of individuals on campus, the NMCC Security staff works closely and cooperatively with the Presque Isle Police and Fire Departments.

While NMCC strives to maintain a safe and secure environment, students and employees must know how to act and who to call in an emergency situation. All emergencies may be reported to 911 or (9-911 from college office phones). If you are uncertain whether to call 911, contact Campus Security at (207) 551-5765.

Campus residents uncertain if an issue rises to emergency status are encouraged to call Campus Security (207) 551-5765 or to contact any Residential Life staff member. The Residential Life Office is located on the first floor of Andrews Hall; the telephone number is (207)768-2797.

Students who have received a Temporary or Permanent Order(s) for Protection from Abuse or Harassment must disclose the existence of the Order to the Dean of Students or campus security office. This is especially important when the named defendant on the Order is not to have contact with the victim at the victim's place of employment or study.
