

Quality Training

Northern Maine Community College's Commerical Driving Academy is a Maine state licensed tractor-trailer driving school. This 230 hour course is designed to train you to become a professional truck driver. You will learn exactly what it takes to be a responsible driver and how to handle a tractor and trailer safely and efficiently.

One-on-One Driving Instruction

Classroom instruction will include log books, trip planning, haz mat, and other endorsements for your commercial driving license (CDL). You will gain hands-on experience both on the driving range and on the road. NMCC's Commercial Driving Academy provides a prospective commercial driver with the training necessary to operate a tractor-trailer rig in a safe, skilled manner.
