

NORTHERN MAINE COMMUNITY COLLEGE
POSITION ANNOUNCEMENT

POSITION TITLE: Biology Instructor: Full Time

START DATE: August 2017

QUALIFICATIONS: A Master's degree in human biology or other life science discipline is preferred. A Master's degree with at least 18 graduate semester hours in a life science discipline will also be considered. Successful post-secondary teaching experience is a plus.

RESPONSIBILITIES: This instructor will teach anatomy and physiology courses along with microbiology and clinical pathophysiology pharmacology courses. Other faculty responsibilities include student advising, curriculum development, committee work, and participation in all institutional assessment activities.

APPLICATION

PROCEDURE: Review of applications will begin immediately and continue until position has been filled. For consideration, please submit cover letter, resume, official college transcripts, NMCC Employment Application and names of three references to:

Dr. Dottie Martin, Ph.D.
Academic Dean
Northern Maine Community College
33 Edgemont Drive
