## **STUDENT AFFAIRS - MISSION STATEMENT**

The mission of the student affairs department is to provide programs and services for students to support their educational experience outside of the classroom. Beginning with comprehensive enrollment/ admissions services ranging from recruitment, assessment, advising, course registration, and orientation, the student affairs department provides information and support for students through graduation and beyond. The financial aid staff strives to make it possible for all students to secure the necessary resources to fund their educational programs. The residential life staff coordinates on-campus housing and residential life programming, promoting a safe and healthy learning and living environment for campus residents. A broad range of counseling services and an on-campus health center are designed to support academic success, student wellness, and personal/social well-being. The office of the registrar provides accurate and confidential recording, production and disbursement of student records. Student development is enhanced further by a broad range of paid and unpaid internships, and leadership opportunities. The guiding principle of the student affairs department is to provide personalized, evolving and responsive support services for all NMCC students.

## **STUDENT AFFAIRS - VISION STATEMENT**

The student affairs department is committed to the delivery of quality support programs and services. Our goal is to promote an environment in which students feel welcome, important, and valued. Student satisfaction and success are the measures by which we judge our work performance. From admission through graduation, the needs of students are our primary concern and we strive toward continuous improvement in meeting these needs. We welcome and solicit suggestions from students, graduates, employers and colleagues which will assist us in our efforts to serve students. To this end, we believe in and subscribe to open communication as the foundation for departmental and institutional effectiveness. NMCC believes that it is of paramount importance and in the best interest of all its members that confidentiality about personal information is maintained. NMCC is committed to safeguarding confidential information

concerning its students from unauthorized disclosure. The Family Educational Rights and Privacy Act of 1974, as amended, provide the following rights for students attending NMCC:

1. The right of a student, with limitations, to inspect and review his or her educational records.
2. The right, with exceptions, to prevent disclosure to third parties of information from his or her educational records.
3. The right to withhold public disclosure of any or all items of so-called "Directory Information" by written notification to the dean of students within two weeks after publication of this notice. The term "Directory Information" includes (but is not limited to) a student's name, confirmation of enrollment, degree earned (if applicable), and major course of study.
4. The right to file a complaint with the U.S. Department of Education concerning the alleged failure of NMCC to comply with requirements of the Act.

## **SECTION II – IMPORTANT INFORMATION**

### **Part A – Academic Information**

#### **ACADEMIC ADVISORS**

Each student is assigned an academic advisor upon acceptance into a program of study. The advisor assists the student in the course selection, checks registration and graduation requirements, and is available for consultation on academic and other matters. Meetings with an advisor are usually informal. Students are urged to seek them out whenever the need arises and make fullest use of this service. Students are also encouraged to make regular contact with their academic advisor whether or not they have a specific need.

**ACADEMIC AMNESTY:** Students who have received failing grades in the past may appeal, in writing, to the academic dean for academic amnesty. Amnesty is the forfeiture of prior coursework below a 2.0 level. This request may be granted if there is a high probability of academic success. If amnesty is granted for a course, the course and its grade will remain on the student's transcript. The grade for the course however, will not be calculated in the student's GPA. Amnesty may only be granted to students who are currently enrolled or have completed the most recent semester with a semester GPA of 2.0 or higher. Academic Amnesty may only be granted once during a student's academic tenure.

#### **ACADEMIC DISMISSAL**

Students who have been academically dismissed may appeal to the academic dean for reinstatement in a program for the following semester. They may request readmission to the college by reapplying not earlier than one semester after the date of dismissal. At the time of reapplication, the applicant must show positive evidence that he or she

will achieve academic success if accepted into a program. Such evidence might include course completion with satisfactory grades, a positive employment experience, etc.

## **ACADEMIC HONORS**

### **Dean's List**

Students receiving a semester grade point average (GPA) of 3.2 and above are recognized by inclusion on the Dean's List. A grade of incomplete for any course(s) in a semester will disqualify a student from inclusion on the Dean's List. Inclusion requires a student be enrolled full-time (12 or more graded credit hours in a given semester, not including pass/fail, transfer, audit, qualifying exam, or other prior learning credit), be matriculated in a program of study, and otherwise maintain satisfactory academic progress.

Part-time, matriculated students who complete at least six (6) but less than twelve (12) graded credit hours in a given semester (not including pass/fail, transfer, audit, qualifying exam, or other prior learning credit), are matriculated in a program of study, and otherwise maintain satisfactory academic progress are recognized by inclusion on the *Part-time Students' Dean's List*.

### **Honors Designation**

Students graduating with a 3.5 or greater GPA are recognized in the commencement program and will wear a gold rope during the ceremony in honor of their achievement. Honors designation for commencement will be determined based upon prior completed semester's cumulative grade point average.

### **Phi Theta Kappa**

Students achieving a 3.5 or greater cumulative grade point average while matriculated in a program of study may be invited to join Phi Theta Kappa, an international honor society for two-year college students. To maintain enrollment, the student member's cumulative grade point average may not fall below 3.25. Members receive leadership skills developed through campus and community projects in addition to recognition throughout the year and at graduation among many other benefits.

## **ACADEMIC PROBATION**

Academic probation signifies that a student is in serious academic jeopardy. A student on probation must remove grade deficiencies during the subsequent semester, or during summer session. Failure to do so may result in academic dismissal from the college. Students on academic probation are required to carry a reduced class load and may be restricted from participation in extracurricular activities.

Probation and dismissal standards are:

**Students in two year (4 semester) programs:**

**Cum. Credit Hrs.** *Cumulative GPAs Between These Ranges Result In:*

<b><u>Attempted</u></b>	<b><u>Probation</u></b>	<b><u>Dismissal</u></b>
12+ *	1.25 to 1.75	1.249 or lower
30+	1.50 to 1.75	1.499 or lower
45+	1.75 to 1.99	1.749 or lower

**Students in one year (2 semesters) programs:**

**Cum. Credit Hrs.** *Cumulative GPAs Between These Ranges Result In:*

<b><u>Attempted</u></b>	<b><u>Probation</u></b>	<b><u>Dismissal</u></b>
12+ *	1.50 to 1.99	1.499 or lower

*\*Students are not assessed for probationary or dismissal status until they have attempted 12 credit hours of graded study.*

A student on academic probation must achieve a cumulative grade point average sufficient to exceed the probationary standard or a semester grade point average of 2.0 during each subsequent probationary semester. Failure to achieve this standard will result in academic dismissal.

**ACADEMIC PROGRESS**

A minimum grade point average of 2.0 is required to graduate with a certificate or associate degree from NMCC. This implies that any course grade below a C may put a student's graduation in jeopardy and/or indicates that the student's academic progress is in question.

The faculty has carefully developed each program of study to provide students with the opportunity to maximize their knowledge and skills. This achievement requires a substantial commitment to the learning process by the student. Students are expected to perform two hours of out of class work/study preparation for every one hour of class time. There are many campus resources available to aid students in their efforts toward academic success. These include tutorial services in the campus Academic Success Center, developmental studies classes and study skills workshops, class attendance requirements, academic warnings, and faculty assistance. Students are encouraged to contact their faculty

advisor, the academic dean, and the dean of students or the Student Support Services staff for assistance or to discuss academic progress.

## **ADD-DROP POLICY**

1. A student may add or drop a course during the first week of any semester without penalty.
2. A student may drop any course through the 12th week of the semester and receive a grade of WP or WF.

Note: Refunds of tuition and fees will be 100% for the first 6 business days of a semester, 50% between 7 and 10 business days with no refunds after that date. For abbreviated semesters, the above drop policy and any associated refunds will apply for the proportional equivalent in time.

## **ADVANCEMENT IN THE MAJOR PROGRAM OF STUDY**

A minimum grade of 2.0 is required of all courses designated as major courses within the student's program of study. These courses are identified in the course catalog. Students failing to achieve this standard will be unable to advance to the next higher-level class (if any) for which the sub-standard class grade is a prerequisite. The registrar will notify a student in writing that he/she has failed to meet the academic standard (2.0) for any major course. A student will be given additional opportunities to retake the major course(s), providing that there is space available and he/she is otherwise maintaining satisfactory academic progress.

Students majoring in nursing and trade/technical programs may be allowed only one opportunity to retake a major subject. A student may request a waiver of the prerequisite from the higher-level class instructor or the affected department chair, the department chair of the student's major and the academic dean. In the event a student is permitted to advance to the next level he/she must repeat the course in which a grade of less than C (<2.0) was received in order to graduate.

A student not attaining grades of 2.0 or higher within the major program of study should seriously consider the appropriateness of the major. The student's academic advisor, respective faculty, advocate and other members of the student affairs staff are good resources for students to discuss their occupational interests and aptitudes.

## **APPLICATION FOR DEGREE/REQUEST FOR GRADUATION FORM**

Students who plan to complete all graduation requirements during the 2018-2019 academic year should fill out a **request for graduation form** located on [my.nmcc.edu](http://my.nmcc.edu). The graduation fee is incurred and is non-refundable upon the student completing the Request for Graduation form. This fee is payable whether or not the candidate attends the commencement ceremony. Students within six (6) credit hours of credential completion may participate in commencement activities but will

not receive a signed diploma until the completion of the program requirements. When all transactions between the school and the student are complete, the student will receive his/her diploma through the mail. There is only one official graduation ceremony each year.

## **ARTICULATION/TRANSFER TO ANOTHER INSTITUTION**

NMCC has articulation agreements for transfer with many colleges/universities, including all of the campuses of the University of Maine System, Husson University, Thomas College, and all ACBSP accredited institutions, to name a few. Specific information is available from your advisor, from the office of the academic dean, or from student affairs. For more information regarding transfer opportunities, contact Johna Lovely in the Student Support Services Office.

## **ATTENDANCE**

Class attendance is the student's responsibility. Regular attendance and punctuality at all classes are expected. To encourage students to accept their responsibility to attend class, the following policy is established: Class attendance is a matter between the instructor and the student. Instructors are obligated to announce and interpret a specific attendance policy for their classes at the beginning of the semester by way of their course syllabus. Faculty are encouraged to be considerate of students with special circumstances.

Excessive absences may interfere with successful completion of a course. Once a student violates the instructor's class attendance policy, the instructor may issue the student a grade of "AF"-Attendance Failure. This grade designation will be treated as an "F" in the calculation of the student's grade point average.

Students may appeal instructors' actions to the academic dean for review.

## **AUDIT POLICY**

Students may audit any course in the day or evening program provided space is available and they pay regular course costs. For more information on auditing a course, contact the Registrar's office.

## **CAREER PLANNING AND INFORMATION**

Career planning and placement assistance is available from several sources at NMCC. The staff in student affairs, as well as individual instructors, are willing to help graduates find jobs in their field. Because of their job market knowledge and employer contacts, instructors are often excellent sources of assistance. Each spring, seniors benefit from a strong effort to help them secure employment.

The Student Support Services Office delivers information, workshops and assistance to aid students exploring career options and plans. We

encourage students to consider careers that are non-traditional for their gender. Informational sessions are held regularly on a wide-variety of job-search and career planning topics.

College Central Network is NMCC's career services website, designed to meet student's career planning needs. Students have access to job boards and hundreds of articles, videos, and podcasts pertaining to various career-related topics including resume assistance and interview preparation.

Please visit: <https://www.collegecentral.com/nmcc/Student.cfm> and click "Activate" to create your account. If you have any questions or need assistance with creating an account, please contact Lori Smith in the Counseling Office at 768-2793 or [nlosmith@nmcc.edu](mailto:nlosmith@nmcc.edu).

## CHANGE IN MAJOR/AWARD TYPE

Students select a major when they enter NMCC; however, some later decide to change their career goal. A student wishing to request a **change of major** must complete a change of major/award type form, which may be obtained from the Registrar's office or campus portal ([my.nmcc.edu](http://my.nmcc.edu)).

## CURRICULUM/DEGREE AUDITS/CATALOG YEAR

The specific curriculum for the program you are matriculated under is located on your portal (*My NMCC*) account. You can track your academic progress and any changes that may occur in curriculum. A new student must satisfy the graduation requirements as stated in the College Catalog in effect the first semester of his/her attendance as a matriculated (enrolled) student. A student whose matriculation has expired forfeits the right to pursue an award according to the provisions of the original catalog and is bound instead by the catalog in effect for the first semester of attendance as a re-admitted student. A change to the current catalog requirements may be requested in writing and approved by the college registrar.

## DEGREE TYPES

Awards are presented for the successful completion of learning activities to a person achieving a preplanned set of educational and occupational objectives. Awards presented include: associate in applied science degree; associate in science degree; associate in arts degree; advanced certificate; and certificate. Requirements for these awards vary according to occupational area. See your advisor for specific requirements.

## DIRECTED STUDY

A directed study is the offering of a catalog course on an individual basis by an appropriate faculty member to a qualifying student. Directed studies are available only on a limited basis. A student who has completed a minimum of 30 credit hours with a cumulative average of 2.5 or more may be eligible for a maximum of 9 credits in approved directed study classes. A directed study may be approved for a program completion candidate when it is

evident that the course will not be offered as a part of the regular semester curriculum, resulting in a postponement of completion of program which would ordinarily be completed in that term. For specific information on directed study, refer to the student tab on [my.nmcc.edu](http://my.nmcc.edu), speak with your advisor, department chair or with someone in Student Affairs.

## **EARLY RELEASE FOR GRADUATING STUDENTS**

It is the policy of Northern Maine Community College to permit students to leave school prior to graduation in order to pursue full-time employment in their field of occupational or technical training. Early release is intended only for a student who has an offer of employment and the employer will not hold the position until graduation. Early release will normally be approved for the two-week period prior to graduation. Unusual conditions may allow up to a maximum of thirty days prior to graduation, but only with the approval of the academic dean or president. For more information, refer to the student tab on [my.nmcc.edu](http://my.nmcc.edu), speak with your advisor or with someone in Student Affairs.

If a student decides to leave prior to the completion of any other semester, he/she will be considered as withdrawing from college, and it will be indicated on the transcript as incomplete, withdrew prior to graduation.

## **GRADE REPORTS**

Grade reports are available only via the student portal (*My.NMCC.EDU*) at the completion of each semester.

## GRADING SYSTEM

Northern Maine Community College bases its grade point average (GPA) on a 4.00 grading scale.

<b><u>GRADE</u></b>	<b><u>QUALITY POINTS PER HOUR</u></b>	<b><u>OTHER GRADE SYMBOLS</u></b> <i>(Not Computed in Grade Point Average)</i>

1. A minimum grade point average of 2.0 is required to graduate with a certificate or associate degree from NMCC.
2. Academic warnings may be issued, at mid-semester, to any student whose performance has fallen below NMCC's academic standards.

### **Repeat Courses:**

If a course is repeated, the latest grade stands and is calculated in the grade point average.

## **Course Grade Appeal:**

The sole responsibility of evaluating student performance and of assigning course grades rests with the course instructor. Barring a grade change due to the miscalculation of a course grade or due to a successful appeal of a course grade by the student, all course grades are to be considered final. If a student believes that a final grade was unfairly derived (i.e., that the grade was determined utilizing criteria different from that for other students), the student may formally appeal that grade.

First, the student must contact the instructor in writing requesting clarification of the grade (e-mail correspondence is sufficient; however, the student must keep a copy of what was sent). The appeal process cannot proceed without verification that this communication has occurred. After clarification, if the student still wants to appeal the grade, he/she should contact the chairperson of the department for the course for which the grade was submitted in order to be advised on the appeals procedure.

## **INCOMPLETE GRADE**

An instructor may issue the grade of incomplete when, in the instructor's opinion, extenuating or unusual circumstances prevent a student from completing the semester's work. The following conditions apply:

1. Since this is a temporary grade, all work must be made up as rapidly as possible, but no later than four weeks into the following semester.
2. The grade of F will be given for any incomplete not made up within the time limit. Faculty may grant an extension by writing the college Registrar and noting the extenuating circumstance.
3. All inquiries regarding the final disposition of a grade submitted as incomplete should be directed to the instructor involved.

## **INDEPENDENT STUDY**

A student with a cumulative GPA of 2.5 or higher may be eligible for a maximum of three (3) semester hours in an approved independent study. The objective of this study is for the student to conduct in-depth research on a topic or topics in his or her major occupational program. The student will have the opportunity to develop abilities as an independent learner. For specific information on directed study, refer to the student tab on [my.nmcc.edu](http://my.nmcc.edu), speak with your advisor, department chair, or with someone in Student Affairs.

## **LEARNING COMMONS** (Academic Success Center and Library)

The learning commons is located on the first floor of the Edmunds Building

and provides students with library, tutoring, and writing services in one convenient location. Our mission is to help students learn, collaborate, and succeed.

The **Academic Success Center** is an academic support service designed to assist all students individually or in groups. The ASC staff works in conjunction with faculty to provide services and strategies to personalize, fortify, and enhance classroom instruction in order to promote academic success. The Academic Success Center offers a variety of services that are free and available to all NMCC students. Students may be referred by an instructor, Student Support specialist or seek these services themselves, in order to obtain feedback on a writing assignment, review for an exam, receive help with a homework assignment, participate in supplemental instruction with instructors or peer tutors, improve study skills, or have a location to study individually or in a group. Visit the ASC web page for more information about these services.

The **E. Perrin Edmunds Library** provides a welcoming and comfortable environment for students, faculty, and staff to meet, study, learn, and relax. Diverse resources are available to encourage academic investigation and personal growth. The physical and online resources support the curriculum and mission of the college. The library provides resources and support for student research and projects. Information literacy instruction is provided throughout the year and research and reference assistance is available in person, online, and by appointment. A variety of events and workshops are offered during the academic year to provide learning opportunities outside of the classroom. All library events are free and open to campus and community members. Our Makerspace provides students with hands-on learning and access to VR equipment and 3D printing. The library webpage lists hours and additional information.

## **MATRICULATION POLICY**

Matriculation is the formal registration of a student into a program leading to a certificate or associate degree. A matriculated student is one who has met prescribed admission requirements and has been officially admitted to a program of study and has registered for a course in the curriculum. Matriculated students maintain their status for ten calendar years from the first semester of course registration at the college. A minimum of three credit hours of appropriate NMCC course work must be successfully completed each academic year or an application for re-admission must be filed with the admissions office.

To maintain matriculation status under a given program, student must request a leave of absence from the dean of students for any semester during which he or she is not taking any classes.

## **MID-TERM WARNINGS:**

In an effort to help students determine their academic success in a particular course, instructors issue a mid-term warning to students doing marginal or unsatisfactory work. Students may view their mid-term grades under the student tab at [my.nmcc.edu](http://my.nmcc.edu). Students who have “U” – Unsatisfactory or “M” – Marginal grades are encouraged to contact their instructor so that the student can be advised on possible strategies for course success.

During the student/faculty meeting, referrals may be made to various other campus resources, including: the Academic Success Center, Student Support Specialists, the Health Center and student academic advisors.

## **MINIMUM RESIDENCY REQUIREMENT**

All programs (AA, AAS, AS, and certificate) require that a minimum of 25 percent of applicable coursework be completed at NMCC.

## **PRIOR LEARNING ASSESSMENT**

Northern Maine Community College follows the standards for Prior Learning Assessment (PLA) as outlined in the Maine Community College System Prior Learning Assessment Standards document. Students may find that information on the Student Portal-Student Tab-Forms and Documents or from either the Student Services or the Academic Dean’s Office.

## **SECOND CREDENTIAL**

When a student enters NMCC, he or she chooses an occupational major with the expectation of receiving a degree or certificate in that area. As a student progresses through his or her program, the instructional staff encourages the student to broaden his/her background by taking electives in separate occupational programs. These opportunities allow the student to broaden his or her area of expertise without compromising or changing his/her occupational goal or primary purpose in coming to NMCC.

The following apply:

1. If a student wants a second credential, then he or she must complete at least 15 credits beyond the requirements of the first program as well as complete all requirements for the second credential.
2. Students may be given permission to complete a second credential only if they are demonstrating satisfactory academic progress and if space is available. Opportunities for second credentials may be limited due to program demand.
3. Students will not be considered for a second degree until they have completed a minimum of 30 graded credit hours and are in good academic standing.

Students pursuing more than one major must have written approval from the dean of students as well as a reference from his or her current academic advisor.

## **SUPPORT SERVICES FOR STUDENTS IN ACADEMIC JEOPARDY**

Students who are on academic probation, or who have not met the minimum standard to advance in a major program of study, or who are in pre-probationary academic difficulty, are required to meet with a Student Support Specialist to develop a written plan for academic success. This plan may include a reduced course load, retaking courses, establishing a tutoring schedule, enrolling in a study skills class or workshop, reducing outside commitments, extending an expected graduation date, or participating in career counseling, etc. After this plan has been completed, the student will meet with the Student Support Specialist regularly during the semester in order that his or her academic progress can be monitored.

## **TRANSCRIPTS**

Students requesting that a transcript be sent to a business or another college must sign a transcript release form. These forms are available in the student affairs office and on the college web site ([www.nmcc.edu](http://www.nmcc.edu)). Students requesting a transcript must do so in writing. Expedited transcript requests (processed within one working day of the request) will cost \$25 per request. Facsimile transmissions will cost \$10, and overnight delivery will cost \$75, in addition to the expedited transcript fee.

## **PART B – FINANCIAL INFORMATION**

### **BUSINESS OFFICE**

All monetary transactions are handled through the business office. Payment for all bills, including tuition, assessed fees and room and board, is due and payable on or before registration day for each semester. Students with any outstanding bills will not be able to receive grades, transcripts or diplomas.

### **CHECK CASHING**

Students may cash checks at a local bank if an account exists with that bank or another affiliation (branch) in some other locality. It is recommended that in order to ensure a check will be cashed; an account should be opened in a local area bank.

### **CREDIT BALANCE POLICY**

Payment of student credit balances will be made to students no earlier than the day following the completion of four weeks of classes of each semester\*. In order to receive the refund, students are responsible for the

completion of all financial aid documents, and the clearance of any office hold on their accounts. Checks will be mailed to the student's legal home address as designated on their profile.

*\*First time federal student loan borrowers must be in attendance a minimum of 30 calendar days in the semester in which they receive their first student loan before any loan proceeds may be disbursed to them.*

## **EMERGENCY LOAN FUND**

A fund has been established for the purpose of making emergency loans to students in need of financial assistance. An application form and promissory note may be obtained from student affairs. There is normally a two to four day waiting period for a loan to be processed. The loans must be repaid within 30 days.

## **FINANCIAL AID**

NMCC believes that limited financial resources should not stand in the way of academically qualified students and a college education. Financial aid in the form of grants, scholarships, loans and federal work study are available for qualified matriculated full-time and part-time students. Unless otherwise specified in writing, all financial aid awards will be credited directly to the student's college account.

A financial aid application package with detailed information is available from the financial aid office. All students are encouraged to apply for both financial aid and scholarships.

Students experiencing financial difficulty during the semester should stop by the financial aid office; help may be available. Complete information is contained in the NMCC Financial Aid Policies and Procedures manual and other written regulations available in the Financial Aid Office.

### **FINANCIAL AID ELIGIBILITY STANDARDS**

Students must be matriculated in an academic major and maintain satisfactory academic progress (SAP) to be eligible to receive financial aid. Satisfactory academic progress for financial aid includes meeting or exceeding College grade point average requirements (qualitative measurement) and PACE (quantitative measurement).

Remedial and ESL courses are treated the same as non-remedial courses under both the qualitative and the quantitative tests for SAP. SAP policies are applied consistently whether the student is full-time or part-time.

Academic progress is assessed at the end of each academic term, as stated in this handbook. Additionally, students must earn a cumulative total of 67% of credits attempted each term (PACE). Students failing to earn 67% of credits attempted in a given semester and/or fail to meet College academic progress requirements will

automatically be placed on **Financial Aid Warning**. Any student placed on Financial Aid Warning may receive Title IV aid for the subsequent payment period. Failure to reestablish SAP as assessed at the end of the subsequent term will result in the loss of Title IV aid.

In order to comply with the Satisfactory Academic Progress standards for financial aid, students must have a 2.0 cumulative grade point average (GPA) at the end of the equivalent of two full academic years (64 credits.)

Students in default on any Perkins (NDSL)/Stafford Loan or any other federal or state insured loans, or who owe a refund on a Pell Grant or SEOG, will be disqualified from subsequent aid until repayment or satisfactory arrangements have been made.

A student denied financial aid for any reason or who wishes to request a waiver of financial aid office policy has the right to file a written appeal which includes the basis on which the appeal is being filed, information explaining why SAP was not met, and what has changed in the student's situation that will allow the student to comply with SAP requirements at the next evaluation. Appeals granted will cause the student to be placed on **Financial Aid Probation**. Students placed on Financial Aid Probation must reestablish SAP by the end of the term. Any student denied an appeal will be informed how to reestablish financial aid eligibility at the College.

A student who changes major or seeks a second credential must continue to earn 67% of attempted credits. A student who changes major or seeks a second credential may exceed 150% of the program length and be required to appeal. Appeals will be considered by the Dean of Students, and, if approved, SAP will be calculated based upon the remaining courses needed to complete the new major or both majors at the time of the appeal.

### **150 Percent Rule - Maximum Time Frame Eligibility:**

The college utilizes credit hours as the measure for determining maximum time allowed for financial aid eligibility. In general, students must complete their program of study within 150% of the published length of the educational program in which they are matriculated. As a rule, credits earned through alternative delivery methods (such as work experience, articulation agreements, CLEP, etc.) will not be counted toward the credit hours attempted. A student must maintain satisfactory academic progress as determined by the college's grading policy.

Exceptions may be granted by the financial aid office, for cause, after a review initiated by student appeal of denial of aid. Student appeals must be timely, made directly to the financial aid office, and be limited to the unexpired portion of the student's program of study, inclusive of the semester in which the appeal is made.

## PELL GRANT LIFETIME ELIGIBILITY

The amount of Federal Pell Grant funds a student may receive over his or her lifetime is limited by federal law to be the equivalent of six years of Pell Grant funding. Since the maximum amount of Pell Grant funding a student can receive each year is equal to 100%, the six year equivalent is 600%.

If your LEU (Lifetime eligibility used) equals or exceeds 600%, you may no longer receive Pell Grant funding. Similarly, if your LEU is greater than 500% but less than 600%, while you will be eligible for a Pell Grant for the next award year, you will not be able to receive a full scheduled award.

## INSURANCE

NMCC and the State of Maine do not carry insurance for students for fire, theft, accident or illness. Students should be sure that they are covered under either a parent's homeowner's policy or some type of policy of their own. While the College takes precautions to prevent such incidents, NMCC will not be responsible for any student claims.

## PREPAYMENT

A prepayment is due to the business office for all students. In order to ensure housing and classroom space, a prepayment must be made. Prepayments are non-refundable after May 1<sup>st</sup> of each year.

## REFUND POLICY

Students terminating enrollment at NMCC before the completion of any given semester are entitled to a refund of tuition, and room and board, based on the date official notification is given the college or the last date of attendance, whichever is latest. The refund will be based on the current policy of the Maine Community College System.

The financial aid award is based upon the expectation that a student will complete the entire period for which aid is awarded. **Students withdrawing from college before the term completes are subject to the pro-rata refund policy and may be obligated to repay disbursed financial aid.** The total refund amount is calculated on a pro-rata basis through 60 percent of the payment period (payment period is the semester of enrollment). The period of enrollment will be based on calendar days. Scheduled breaks of five consecutive days or longer will be excluded from the calculation, based on the regulations set forth by the Higher Education Amendments of 1998 (HEA98).

Students who feel that individual circumstances warrant exceptions from the published policy may appeal using the Withdrawal & Tuition Refund Appeal process, as found on the student portal.

Board charges are refundable in full prior to the first day of residence or first day of class, whichever comes first. For official withdrawal after the first day of residence/class, see the housing section of this handbook.

Students withdrawing from NMCC are required to complete a withdrawal form.

These messages will include weather cancellations, class cancellations and non-fire safety & health emergencies.

More information on the RAVE Alert System can be found on the student's *My NMCC* page or by visiting the Information Technology Office.

## STUDENT PORTAL – MY NMCC

The NMCC portal (*My NMCC*) is a secure, password-protected Web-based resource that will allow a student to access private information pertaining to her/his academic career. Among other things, this resource will allow a student to review his/her:

- Account information
- Book list
- Class schedule
- Course needs analysis
- Financial Aid information
- Grades
- Personal profile data

Because of the highly sensitive nature of this information, when a student has finished accessing his/her information, she/he should always leave the portal by clicking the “Logoff” link at the top of his/her home page.

## SCHOOL CLOSINGS

In the unlikely event the college closes due to inclement weather or other condition, announcements will be posted on the campus website and portal. Closure announcements will also be made via the **NMCC RAVE Alert System** as well as local TV and radio stations

## TEXT NOTIFICATIONS

The computer(s) must meet the minimum system requirements and be able to authenticate with an NMCC provided network account. More information on this may be found on the College's information technology Web site. The wireless network covers the majority of the campus, including classrooms, the dining commons, and residential life facilities.

Counselors also monitor student progress and collaborate with faculty and staff to ensure students are attending class, doing their work, and completing program requirements.

### **CAREER SERVICES**

Students interested in transferring to an institution to pursue a baccalaureate degree should discuss their goals with their Academic Advisor or Transfer Counselor, Johna Lovely, to assure appropriate planning of their academic coursework at NMCC and to maximize the amount of transfer credit. For the transfer of courses not covered by a current transfer agreement, the college or university to which the student is transferring has the final decision on granting of transfer credit.

## **VEHICLE REPAIR ASSISTANCE**

Having reliable transportation is an essential component to academic success, especially for students who commute to school. Vehicle repairs are often inevitable, and many students endure the financial burden that follows. Financial assistance for vehicle repairs is available through the Counseling Office to students who qualify.

Students are encouraged to contact Lori Smith, Student Support Career Specialist at 768-2793 or [nlosmith@nmcc.edu](mailto:nlosmith@nmcc.edu) for assistance.

## **PART F – General/Miscellaneous Information**

### **ACADEMIC RECORD CHANGES**

Considerable care is taken to ensure that all course registration and grade information entered on a student's permanent record is accurate. The record is confirmed as being accurate if the student does not report a discrepancy to the registrar's office within one semester of the completion of the course.

### **BULLETIN BOARDS**

Student bulletin boards are located adjacent to the College Store and other locations across the campus. If you have items you would like posted, contact your Student Senate Representative or anyone in Student Affairs.

### **CLASSROOM GUESTS**

Safety and academic concerns require that any student wishing to bring a guest (including minor children) to class must have prior written approval from the instructor for that class. Minor children (under age 18) must be supervised by a parent or guardian at all times while on campus.

The Student Senate and residential life staff plan and offer many varied activities, programs and events to the NMCC community. Some of these activities are group-oriented and include recreational, social, educational and athletic activities.

Feeling like there is "nothing to do?" Entertain yourself! Residential life staff have supplies which you can sign out, including cards and board games (cribbage, backgammon, checkers, etc.), or they can refer you to other activities. The College regularly communicates both campus and off-campus events via email, flyers, calendars and bulletin boards. All activities are posted on the student activities calendar on the portal.

## EXTRACURRICULAR ACTIVITIES

If you have a hobby or an interest in an activity and you'd like to find others who share that interest, ask an RA to help you call a meeting of others who may be interested. Try organizing an outing club trip to Katahdin or a ski trip for a weekend. You show the interest and we'll help you put it together!

## **SECTION III – Additional Policies, Appeal Procedures, Safety & Security**

### **AFFIRMATIVE ACTION GRIEVANCE PROCEDURE**

#### **I. Report of Complaint**

##### **A. Where to Report**

Any person who believes that he or she has been discriminated against or harassed ("complainant") must make a timely report to the College's Non-Discrimination/Affirmative Action (ND/AA) Officer as set forth herein. The ND/AA Officer may be contacted in the college's Student Affairs area on the first floor of the Christie Building. She may also be reached by phone at 768-2791 or by e-mail at bharris@nmcc.edu.

If the ND/AA Officer is the person alleged to have discriminated against or sexually harassed, the complainant should report the complaint to the College President. The President will then assign a person other than the ND/AA Officer to investigate the complaint. The College President may be contacted on the third floor of the Martin Building, or he may be reached at 768-2807 or at tcrowley@nmcc.edu.

If the College President is the person alleged to have discriminated against or harassed, the role of the College President in this procedure will be executed by the MCCS Director of Human Resources, who may be contacted at 323 State Street, Augusta, Maine, 04330; ph: 207-629-4000, or that Director's designee.

##### **B. When to Report**

A complainant should report their complaint as soon as possible after the first date of the alleged discrimination or harassment, and must report, if at all, not later than 180 calendar days after the last date of the alleged discrimination or harassment.

##### **C. How to Report**

A complaint may be made orally or in writing, and it must be particular. It must disclose the identity of the person(s) alleged to have engaged in discrimination or harassment ("respondent"), and the location(s), date(s) and description of the alleged acts. If a complainant discusses a complaint with an employee of the College, that employee should promptly refer the complainant to the ND/AA Officer and inform that Officer of that employee's knowledge of that complaint.

The College cannot take complaints “off the record.” Once the College receives such information, it has a duty to investigate and possibly take action even if, at the time of the complaint, the complainant does not want the College to do either. Unless the complainant signs a written statement specifying withdrawal of the complaint, the complainant may not be deemed to have withdrawn her or his complaint.

A report filed under this Procedure will not be deemed to be a “grievance” under any applicable collective bargaining agreement. If a complainant seeks to file a collective bargaining-based grievance, the complainant must do so in addition to complying with this Procedure.

#### **D. Disability Accommodation Complaints**

A person whose discrimination complaint relates to a disability accommodation must first comply with the College’s ADA or Disability Services policy and procedure, and present any such concerns to the College’s ADA or Disability Coordinator prior to reporting a complaint to the ND/AA Officer. The College’s ADA or Disability Coordinator may be contacted in the Student Support Services Office on the first floor of the Christie Building, or by phoning 768-2747 or e-mailing [tnelson@nmcc.edu](mailto:tnelson@nmcc.edu).

## **II. Investigation of Complaints**

The following procedures apply to the investigation of discrimination and harassment complaints. In some instances, the College President or MCCS Director of Human Resources may authorize a qualified person other than the ND/AA Officer to conduct the investigation and/or act upon its findings, which person shall then assume the ND/AA’s duties as designated.

### **A. Informal Procedure**

The ND/AA Officer will attempt to resolve a complaint of discrimination or harassment as informally as possible by seeking information and cooperation from both the complainant and respondent. If the parties agree to use this Informal Procedure, such Procedure will be completed within 20 working days of the ND/AA Officer’s receipt of the complaint. This timeframe may be extended by the ND/AA Officer as the Officer deems reasonably necessary, provided that any such extension does not impose undue delay, and provided further that the ND/AA Officer documents the dates of, and reasons for, each delay.

If either the complainant or respondent declines to use the Informal Procedure, or such Informal Procedure is not otherwise successful, the ND/AA Officer will use the following Formal Procedure.

## **B. Formal Procedure**

The Formal Procedure, if used, will be completed within 60 calendar days of the ND/AA Officer receipt of a complaint under this Procedure.

**1. Within 10 working days of receiving the complaint** The ND/AA Officer will meet with the complainant to discuss the complaint; provide to the respondent that notice of the complaint as may be required by either the Student Code of Conduct or the collective bargaining agreement; begin to collect evidence and arrange interviews of witnesses; and interview the respondent.

**2. Within 5 working days of completing the investigation**

An investigation is complete when the pertinent supervisor and ND/AA Officer determine that no additional fact finding is required. Within 5 working days of completing the investigation, the College will decide upon its response to the complaint and so inform the complainant and respondent of the nature of that response. Student and employee privacy obligations may prevent the College from disclosing to the complainant the details of the specific action that the College will take.

**3. Extension and Coordination of Above Timeframes**

The timeframes specified above may be extended by the ND/AA Officer as the Officer deems reasonably necessary, provided that any such extension does not impose undue delay, and provided further that the ND/AA Officer documents the dates of, and reasons for, each delay. In addition, this Formal Procedure must be applied as consistently as possible with the related procedures set forth in the MCCS Student Code of Conduct and MCCS collective bargaining agreements. When a timeframe specified in this Formal Procedure conflicts with a specific timeframe set forth in the Student Code of Conduct or collective bargaining agreement, the timeframe in the Code and agreements shall control, provided that such control shall not unduly delay the completion of the College's investigation under this Procedure.

## **C. Interim Steps**

While a complaint is under review, the ND/AA Officer may recommend to the appropriate supervising authority at the College that such authority take, consistent with the applicable procedures and standards set forth in the College's Student Code of Conduct and/or any employment policy or agreement, any appropriate or necessary interim action such as removing the complainant from contact with the respondent.

#### **D. Limit on Confidentiality**

The College may need, as part of its investigation, to disclose the complainant's name, statements and allegations to certain relevant other persons, including the alleged discriminator or harasser.

### **III. Action upon Findings from the Investigation**

If the College determines that it will take disciplinary or other responsive action as a result of its investigation that action will be taken without undue delay as follows.

#### **A. Action Against a Student**

To implement discipline or other action in response to complaints against a student, the College will use the MCCS Student Code of Conduct.

#### **B. Action Against an Employee**

To implement discipline or other action in response to complaints against an employee, the College will use the applicable collective bargaining agreement or other pertinent employment policy.

#### **C. Action Against Others**

To implement discipline or other action in response to complaints against a contractor or other party, the College will consult with the College President.

#### **D. Action to Address Disability Accommodations**

To address the College's provision of disability accommodation, the College will follow its pertinent ADA or Disability Services protocol.

### **IV. Appeals of College Response to Complaint**

Any appeals from action taken under Section 7.3 above shall be taken pursuant to the applicable Code, collective bargaining agreement or employment policy. Only if those sources do not provide an appeal process to an affected party, then the following appeal process shall apply.

Within 10 working days of receiving the report of the investigation, a party to the complaint who is aggrieved by the decision ("appellant") may appeal to the College President (or to the MCCS Director of Human Resources if the College President is the respondent to the complaint; see Section 7.1.1.). Within 10 working days of receipt of the appeal, the College President will meet with the appellant to discuss the appeal. Within 10 working days after the meeting, the College President will inform the appellant and other party(s) to the complaint of the College President's decision on the appeal. Such timeframes may be extended by the College President as the President deems reasonably necessary, provided any such

extension does not impose undue delay, and provided further that the ND/AA Officer documents the dates of, and reasons for, each delay.

## **V. External Complaint Procedures**

In addition to, or in place of, filing a complaint through this procedure, a complainant has the right to file a private lawsuit or a complaint with outside agencies. For example, a complaint alleging discrimination in the College's education programs and/or activities under Title VI of the Civil Rights Act of 1964 (race, color, national origin), the Age Discrimination Act of 1975 (age), Title IX of the Education Amendments of 1972 (sex), Section 504 of the Rehabilitation Act of 1973 (disability), and/or Title II of the Americans with Disabilities Act of 1990 (disability) may be filed with the United States Department of Education, Office for Civil Rights, 33 Arch Street, Suite 900, Boston, MA 02110, phone 617.289.0111, TTY/TDD 617.289.0063, fax 617.289.0150, e-mail [OCR.Boston@ed.gov](mailto:OCR.Boston@ed.gov), internet <http://www.ed.gov/about/offices/list/ocr/index.html?src=oc>. The Federal government agency that has the responsibility for enforcing anti-discrimination laws in regard to employment is the United States Equal Employment Opportunity Commission, which may be contacted at 475 Government Center, Boston, MA 02203, telephone 617.565.3200 or 1.800.669.4000, TTY 617.565.3204 or 1.800.669.6820, fax 617.565.3196, internet <http://www.eeoc.gov/>. ## **VI. Retaliation**

Retaliation against any person who in good faith either files a discrimination or harassment complaint or otherwise participates in the complaint process is a violation of law and MCCS policy. Complaints alleging retaliation of any kind shall be reported immediately to the ND/AA Officer as set forth in Section 7.1.

## **VII. Other Provisions**

### **A. Communication with Disabled Persons**

In implementing this Procedure, the College must communicate with a complainant who has a disability in a format accessible to the complainant.

### **B. Record Retention**

# STUDENT CODE OF CONDUCT

## I. Purpose of Code

The College requires students to conduct their affairs with proper regard and mutual respect for the College and the members of its community. In seeking to encourage responsible conduct, the College will rely upon counseling and admonition. When necessary, the College will use this Code to: 1) ensure the orderly administration of the College's academic, athletic and social offerings; 2) secure the opportunity of all students to pursue peacefully their educational objectives; 3) protect the health, safety and welfare of the College and the members of its community; and 4) maintain and protect the real and personal property of the College and the members of its community. This Code applies *in addition* to other College and System policies and regulations, local ordinances, and state and federal laws. ## II. Persons Governed by Code

This Code applies to persons who are students and to organizations that are student organizations at the time of the alleged conduct. Students and student organizations are also responsible for the conduct of their guests, and this Code may be invoked against students and student organizations whose guests violate the Code. When a student is alleged to have violated the Code at a College other than the College in which the student is enrolled, the violation will be referred for disposition to the student's campus of enrollment.

Students who violate this Code may be subject to one or more sanctions which include, but are not limited to: 1) an apology; 2) reprimand; 3) probation; 4) work or service requirement; 5) restitution; 6) fine; 7) prohibition from College classes, functions or facilities; 8) forfeiture of room fee, room deposit and security deposit; 9) suspension or dismissal from a portion of the College; 10) suspension or dismissal from the whole of the College; 11) revocation of admission or a degree; 12) withholding a degree; and/or 13) any other action as the College deems appropriate. The Dean may suspend immediately a student if the Dean determines that the student's presence at the College poses an imminent threat of harm to a person or property in the College community. Such suspension shall take effect when so designated and may not be stayed pending appeal unless otherwise determined by the President.

#### **V. Procedure**

##### **A. General**

In applying the provisions of this Code, MCCS accords students the following opportunities. First, students have the opportunities to be advised of the charges and the nature of the evidence against them, and be heard before an impartial decision-maker. Second, students have the opportunities to have sanctions based on substantial evidence (a standard of "more probable than not"); the decision explained in writing; and, in a Stage Two proceeding, have questions asked of opposing witnesses. Finally, students have the opportunities to be assisted by a person who may observe the proceeding and advise the student, but who may not speak on behalf of the student or otherwise participate in the proceeding. In cases where suspension or dismissal is likely or where criminal charges are pending, such an assistant may be an attorney, but such an attorney shall not be at the college's expense.

##### **B. Stage One**

The College Dean of Students ("Dean") and/or Disciplinary Officer ("Officer") (collectively "Investigator") shall investigate alleged violations of this Code. Such inquiries shall include notice to the student of the: 1) complaint; 2) Code sections that may have been violated; and 3) possible sanctions that may be imposed. The student shall be given an opportunity to be interviewed. The Investigator may consider any information that the Investigator believes may be relevant and reliable information in determining whether it is more probable than not that the alleged conduct

occurred, and that such conduct violated the Code. Upon concluding the inquiry, the Investigator shall notify the student in writing of the Investigator's findings of fact, Code provision(s) violated, if any, and a sanction(s), if any. The Investigator's decision shall take effect when so noted. Sanctions, other than interim suspension, may, in the discretion of the Dean, be stayed during any appeal. The Dean, but not an Officer, may at this stage impose a sanction of dismissal or suspension.

## **C. Stage Two**

A student who does not accept discipline imposed at Stage One may request a Stage Two proceeding. A person materially affected by the alleged Code violation (such as the victim of the alleged conduct) may request a Stage Two proceeding in order to review a Disciplinary Officer's decision either to dismiss or impose a relatively low sanction in the case.

### **1. Request**

A request for a Stage Two proceeding must be submitted in writing to the Dean within two (2) school days following the day the student receives the Investigator's written decision, and must state specifically the grounds for the request. A student who fails to file a proper and timely request may be deemed to have waived the right.

### **2. Committee**

A Stage Two proceeding shall be heard by a Disciplinary Committee ("Committee") which shall consist of at least three and not more than five members, each appointed by the College President. At least one member should be a faculty member and one member may be a student. The President shall appoint a Chair.

### **3. Hearing**

After receiving the student's request, the Committee Chair shall notify the student, Dean and/or Officer of the time and location for the hearing. A hearing shall be held as soon as practical and shall proceed as follows: The Committee Chair shall preside; the Dean and/or Officer will present the charges, information and findings against the student; the student will respond to the case presented by the Dean and/or Officer; and the Dean and/or Officer and student may then each summarize orally their position. All or a portion of the hearing may, at the discretion of the Committee, be closed to persons other than those recognized by the Chair. If a student does not attend the hearing, the Committee may commence the hearing or continue the hearing to a later time or date. Only the members of the Committee may pose questions to the witnesses or parties. The committee is not bound by court rules of evidence or procedure.

### **4. Decision**

The Committee will convene in closed session to find facts and determine any Code violation(s). The Committee may consider any relevant and reliable information in determining whether it is more probable than not

that the alleged conduct occurred, and that such conduct violated the Code. The Committee is not bound by the Investigator's findings and sanctions. The Committee may impose any appropriate sanction up to and including dismissal. Disciplinary sanctions imposed by the Committee take effect immediately unless otherwise specified. A majority of Committee members present and voting will prevail.

#### **D. Stage Three**

A student may appeal to the College President only a Committee sanction of suspension or dismissal from the College. Such appeal must be submitted in writing to the President within two (2) school days following the day when the student receives the Committee's written decision, and must state specifically the grounds for appeal. Such appeals shall be limited to the Committee's procedures and the appropriateness of the sanction. A student who fails to file a proper and timely appeal may be deemed to have waived the right to appeal. The President may also grant a request by a person materially affected by the alleged Code violation to review a decision of the Disciplinary Committee to dismiss a case or to impose a relatively low sanction. In all cases, the President shall issue a written decision as soon as practical after the hearing. The President is not bound by the decisions of either the Investigator or Committee.

#### **VI. Notice and Receipt of Notice**

A College may provide a notice under this Code to a student either in person or to the student's most recent electronic, campus or U.S. mail address on file at the College. A student will be deemed to have received such notice immediately when informed in person; within 24 hours when notified by electronic or campus mail; and within 72 hours of the date of mailing when notified by U.S. mail. In all instances a student has an affirmative duty to remain in contact with the College while a matter is pending under this Code.

#### **VII. Definitions**

The following terms have the following meanings when used in this Student Code of Conduct, unless the context indicates otherwise: **"Code"** means this Student Code of Conduct; **"College"** means a college of the Maine Community College System; **"College Activity"** means an activity under the auspices of the College, including activities of students and student organizations; **"College Community"** means any person or organization that attends, performs services for, is employed by, visits or otherwise uses the College; **"College Personnel"** means any instructor, administrator, employee, committee or contractor of the College or System; **"Course"** means any class of instruction, regardless of credit, offered by the College; **"President"** means a College President; **"Property"** means the real and personal property controlled through ownership, rental, charter or other means by the System, College, State

of Maine or a member of the College Community. "Property" includes written documents and computer programs, files and resources; "**School Day**" means a day that the College is open for instruction; "**Student Organization**" means an organization that acts or purports to act for a student in matters regarding the College; and "**System**" means the Maine Community College System.

### **VIII. Additional Procedures for Sexual Offenses**

In addition to the provisions of this Code, a College shall also apply the provisions of the MCCS Clery Act Sexual Offense procedure when the alleged misconduct involves a sexual offense.

### **IX. Coordination of this Code with the MCCS Policy on Special Conditions**

When the student conduct at issue is subject to both this Code and the MCCS policy on Special Conditions of Admissions, Enrollment and Participation, a college shall consult with the MCCS General Counsel about how either or each policy shall be applied.

### **X. Certain Athletic Determinations**

The provisions of this Code apply to misconduct related to participation in athletics. The procedures of this Code do not, however, apply determinations of whether a student maybe a member of, or receive playing time for, a college athletic team because the student has engaged in conduct detrimental to the team. Those determinations shall be made by the coach, provided that the affected student may appeal the coach's decision to the College Dean of Students. For purposes of this provision, "conduct detrimental to the team" includes, but is not limited to, conduct that is unsportsmanlike to fans, officials or opposing coaches or players; disruptive to practices and other team events; brings disruption or disrepute to the team through misconduct or violations of law, College or System policy; or is otherwise contrary to the principles taught through athletic competition, such as reliability, diligence, commitment, teamwork and the willingness to take seriously the duty to represent the College honorably during competition. Each College may adopt a more specific definition of "conduct detrimental to the team" that furthers the educational purposes of athletic competition.

### **XI. Traffic Violations**

A student violation of a rule governing a moving, parked or standing vehicle on property owned, operated or under the control the MCCS shall be processed under this Code only if the sanction sought by a college is suspension or expulsion from college for that violation. In all other cases, a college shall provide a process that permits a student an informal opportunity to contest the alleged violation before a person designated by the college to hear such contests.

## STUDENT GRIEVANCE PROCEDURES

Students who have a grievance or complaint regarding an abridgement of rights have recourse to a student grievance procedure. In case of physical assault or sexual harassment (as defined by Maine law), the process for filing complaints is outlined in the student handbook. Students questioning their assigned grades can appeal that grade through the academic dean. The affirmative action officer for NMCC is identified in the student handbook and elsewhere. A student in doubt about the proper procedure for filing a complaint or grievance should seek direction from the affirmative action officer.

### Campus Crime Report – 2017

The following policies and procedures are provided as part of Northern Maine Community College's commitment to safety and security on campus and are in compliance with the Cleary Act of 1998. Northern Maine Community College is a public college located in the city of Presque Isle, Maine. NMCC is one of seven campuses that comprise the Maine Community College System. There are approximately 900 students currently enrolled at the college and the campus employs approximately 100 faculty and staff. The college has been firmly committed to honest and timely reporting of all crime statistics and remains so under the Jeanne Cleary Act of 1998.

## Overview

Northern Maine Community College strives to provide a safe and secure environment for its students and employees. Throughout the year, numerous programs are offered which help attendees become more aware of crime and more importantly, how to help prevent it.

Annually, programs such as: Acquaintance/Date Rape, Operating Under the Influence (OUI) and Alcohol & Drug Education Programs occur on campus. Also, programs regarding self-defense, women's issues, harassment, preventing theft in the dorm and others occur on campus. All members of the campus community are encouraged to attend; look for notices in *Towards Excellence*, college email, the campus [calendar of events](#), and on campus bulletin boards.

Adding significantly to the campus' overall sense of security are the college's

own Security Officers. While empowered to control and/or apprehend individuals violating laws or policies governing the safety of individuals on campus, Security personnel work closely and cooperatively with the Presque Isle Police and Fire Departments. The campus security staff also maintains radio contact with the local and State Police.

Even though NMCC strives to maintain a safe and secure environment, students and employees must know how to act and who to call in an emergency situation. Students in campus residences are instructed to contact the Presque Isle Police Department or any residential life employee who will, in turn, notify the appropriate emergency officials in accordance with campus and department policy. The residential life office is located on the first floor of Andrews Hall; the telephone number is (207) 768-2797. All other emergencies and reports of crime are to be made directly to the Presque Isle Police Department who will, in turn, notify the appropriate College official.

**Remember – any emergency situation should be reported directly to the Presque Isle Police Department** who will in turn, contact NMCC personnel.

**Emergency telephone numbers include:**

**Presque Isle Police Department:** 911 or (207) 764-4476

**Presque Isle Fire Department:** 911 or (207) 768-7411

**Crown Ambulance Service:** 911 or (207) 764-6363

Anyone with questions regarding campus security and the crime awareness report are urged to contact the dean of students' office. Specific campus policies regarding conduct are found in NMCC's student handbook, catalog, Faculty & Staff Handbook, housing contract, MCCS Policy and Procedure Manual, alcohol and drug flyer, and sexual harassment brochure.

## **Reporting of Criminal Actions or Emergencies**

The Presque Isle Police Department, in association with the Maine State Police, is responsible for law enforcement and emergency police response at Northern Maine Community College. NMCC security personnel act in a supportive role to these two lead agencies. All emergencies or occurring criminal actions should be reported directly to the Presque Isle Police Department (911 or (207) 764-4476). The Presque Isle Police Department is located at 43 North Street, Presque Isle and is staffed 24 hours a day, 7 days a week.

The campus security office is located in the Akeley Student Center. Campus security can be reached at any time by dialing (207) 551-5765 (cellular). Campus security responds to all reports of criminal action or emergencies and initiates whatever action is necessary to resolve emergencies 24 hours a day, 7 days a week.

Crimes, not of an emergency nature, may be reported to several campus offices which will, in turn, assist the individual filing the report. The dean of students' office (207) 768-2792, the director of physical plant and technology (207) 768-2706, the director of residential life (207) 768-2795 and the campus security office (207) 760-1108 are all equipped to assist those reporting non-emergency crimes on campus.

**Procedures Victims Should Follow Should an offense Occur**

Any victim of rape or sexual assault should immediately contact either NMCC campus security, the director of residential life or the Presque Isle Police Department, which will immediately respond to assist the victim in getting medical attention, then investigate the crime. At all times, the victim's rights will be protected and the victim will have input into the course of investigation. Counseling services will be provided if the victim is receptive to such services.

Counseling services are provided on the NMCC campus, free of charge, to any NMCC-registered student who is a victim of a rape or sexual assault and desires this service. The counseling office is located in Suite 104 of the A.K. Christie Building on campus (tel. (207) 768-2839). Other services are available at the location and telephone numbers listed.

Battered Women's Project	1-800-439-2323

**Notification of Options for Changing Living Areas or Academic Situations**

Any victim of a rape or sexual assault has the right to request a change in living areas or academic situations. If an immediate threat is felt by a person, that person can and will be reassigned a room on a temporary basis until the threat is removed or eliminated.

**Possible Disciplinary Sanctions for Rape and Sexual Assault**

Any person found to have committed the offense of rape or sexual assault by the Northern Maine Community College Disciplinary Committee and/or the Maine Criminal Justice System will be subject to severe disciplinary sanctions, which may include immediate suspension or dismissal.

## **Information Concerning Registered Sex Offenders Under Section 14071 (j) of Title 42**

The Presque Isle Police Department maintains a list of registered sex offenders in the Presque Isle community. Anyone desiring information on a specific known sex offender may receive that information by contacting the Presque Isle Police Department at (207) 764-4476. A date of birth of the sex offender will be needed.

The State of Maine maintains a list of registered sex offenders. The list is readily available on-line at the Maine Sex Registry (<http://sor.informe.org/sor/>).

Anyone without internet access who desires a complete list of the State's registered sex offenders may do so by submitting, in writing, a request to:

State Bureau of Identification  
Attn: SOR  
36 Hospital Street  
Augusta, ME 04333

Anyone desiring information on a specific known sex offender may receive that information by contacting the State Bureau of Identification at (207) 624-7100. A date of birth of the sex offender will be needed.

### **Access to Campus Facilities**

Most NMCC campus building and facilities, with the exception of residence halls, are accessible to the campus community, guests and visitors during normal business hours, Monday through Friday.

### **Access to Campus Residence Halls**

Exterior residence hall doors are locked at all times. Students must use an Access ID Card for access. Students are forbidden to remove exterior screens from their windows. First floor students are cautioned to keep their windows locked at all times.

### **Maintenance and Security of Campus Facilities**

NMCC maintains a strong commitment to maintaining a safe level of exterior lighting. Campus security officers routinely survey existing lights and recommend maintenance of existing light and additional illumination as required. Members of the campus community are encouraged to report any exterior lighting deficiencies to the campus maintenance department (207-768-2702) or if in the campus residence areas to the director of residential life (207-768-2795). Exterior doors on campus buildings are locked and secured each evening and security personnel check all buildings, including residence halls, throughout the night. The on-duty security officer will also survey and report any possible security problems with doors. This is given a high priority, and if the problem represents hazard a maintenance person

will be called in immediately to make the necessary repairs or adjustments.

### **New Student Orientation and General Awareness Training**

New resident students are given awareness training during fall orientation and throughout the fall semester on crime prevention and reporting, and rape and assault awareness. The college's crime prevention efforts are based on the dual concepts of eliminating or minimizing criminal opportunities whenever and wherever possible, and encouraging students to be responsible for their own security and the security of others. The residential life staff is given security training during the week prior to school opening and is given refresher training during weekly staff meetings. Security is always a topic of concern among the staff because of the remoteness of the campus and the general complacency that can occur when serious incidences do not often happen. All members of the residence life staff are certified in first aid and CPR. Residential life also maintains an emergency telephone on-call system and can provide immediate backup for any emergency call to outside emergency response authorities. The college is committed to maintaining a safe and secure campus environment so that education and personal development can continue to be our students' primary concern. Nevertheless, freedom from worry never means freedom from responsibility and awareness of the potential for crime.

### **Alcohol Awareness Program**

Northern Maine Community College along with the other colleges of the Maine Community College System view alcohol and substance abuse as a serious problem. In compliance with the Drug Free Schools and Communities and the Drug Free Work Place Act, the college publishes and distributes annually a booklet which informs all students and employees of NMCC's substance abuse policy, sanctions for violation of the policy, and State and Federal alcohol and drug laws, offenses and sanctions. The booklet, 'Alcohol and Drugs, What every student and employee of the Maine Community College System should know about the use of alcohol and illegal drugs.' is available [online](#) or by contacting the office of the dean of students, (207) 768-2787 or the office of residential life, (207) 768-2795.

### **Alcohol Sanctions**

In general, the sanctions for underage drinking, providing alcohol to a minor, and behavior while intoxicated increase with the number of incidents and the severity of the incident. Sanctioning is administered by the director of residential life, the dean of students, or the college disciplinary committee. Sanctions include, but are not limited to, an alcohol education program, campus or community service, probation, suspension or cancellation of housing contract.

## **Law Enforcement Authority and Interagency Relationships**

Campus security and director of residential life maintain a close working relationship with the Presque Isle Police Department, the Aroostook County Sheriff's Department and the Maine State Police. College security personnel patrol the campus on foot and in a vehicle during evening hours. Their patrol routes are varied and the hours are random. They are in constant communication with each other and with appropriate authorities through hand-held, two-way radios and cellular phones. They are authorized to stop any individual on campus during the late evening hours to determine whether they can be of service to the person. They also operate as backup to the residence life staff. They do not carry weapons. Through interagency agreements between local law enforcement agencies and the security supervisor, any reports of criminal activities associated with student organizations off campus are shared or reported to the appropriate college personnel and departments.

## **Procedures for Campus Disciplinary Action**

1. The accuser and accused will have the same rights to have others present at any hearing, including the assistance of an advisor and/or legal counsel.
2. The accuser and accused will both be informed of the outcome of any such hearings when the charge is a violent act.

Victims must be informed of their options to notify proper law enforcement authorities, and their option to be assisted in doing so. If a rape or sexual assault is reported to any college official other than the security supervisor, the victim will be informed of their option to notify proper law enforcement authorities and will be assisted in doing so if requested.

The entire Student Code of Conduct is included in the Student Handbook and is available in print form from the office of the dean of students or is available on the web at:

## **SUBSTANCE ABUSE POLICY**

MCCS policy recognizes that substance abuse is a complex problem that is not easily resolved solely by personal effort and may require professional assistance and treatment. Accordingly, each campus and the System Office have designated an individual to assist employees and students who seek referral for a substance abuse problem. Students, faculty and staff members with substance abuse problems are encouraged to take advantage of available diagnostic, referral, counseling and prevention services. However, employees and students availing themselves of these services will not be granted special privileges and exemptions from standard personnel practices applicable to job performance requirements and from standard academic and student conduct requirements. The MCCS will not excuse acts of misconduct committed by employees and students whose judgment is impaired due to substance abuse.
