

QUALITY TRAINING WITH ONE-ON-ONE CLASSROOM INSTRUCTION

Endorsements:

- Hazardous Materials
- Tank Vehicle
- Double / Triple Trailer

Classroom instruction will cover logbooks, trip planning and in-service air brake adjusting - all skills that great drivers need to have. Our training exceeds all state of Maine and truck industry standards.

We have a high quality program, a great reputation for training professional drivers, and we want to help you land the job you want, too.

Whatever road you choose for your specialty-over-the-road long haul, local deliveries, or construction - a Class A license is what you need. NMCC can get you there.

APPLICATION REQUIREMENTS

The admissions process includes the following:

1. *Personal interview*
2. *Valid Maine driver's license and a review of driving record to determine eligibility*

The American Truck Driving Association predicts that over the next 10 years, economic growth will require another 320,000 drivers nationally and at least another 219,000 drivers to replace existing drivers who will be retiring, leaving or taking new jobs within the industry.

Our state licensed academy has trained thousands of men and women to become professional drivers, earning great salaries and enjoying successful careers.
