

## PROGRAM PURPOSE

NMCC's nursing program is designed to prepare students to become registered nurses. Students develop the necessary knowledge and skills to provide nursing care in various capacities throughout a patient's lifetime. Guided learning opportunities in local hospitals, the campus lab, and the state-of-the-art simulation center provide students with valuable hands-on experiences that complement the classroom curriculum.

*Candidates who are graduates from approved nursing programs are provided an opportunity for advanced standing. Students with successful prior college courses may receive priority, providing all other minimum standards are met. Students may be given only one opportunity to reenter the program after having failed to complete it previously.*

## CAREER OPPORTUNITIES

Graduates will find employment opportunities as an integral team member in a variety of healthcare settings.

For graduates interested in continuing their education by pursuing a bachelor of science in nursing degree, NMCC has transfer agreements in place with four-year institutions. By completing the first two years at NMCC students are able to graduate with less debt and are prepared to take advantage of online programs.

The Associate Nursing Program at NMCC is accredited by the Accreditation Commission for Education in Nursing (ACEN), located at 3390 Peachtree Road NE, Suite 1400, Atlanta, GA 30326, and approved by the Maine State Board of Nursing. The ACEN Board of Commissioners recently granted Continuing Accreditation status to the Associate Nursing Program.

Please note that the Maine State Board of Nursing reserves the right to deny licensure based on criminal history record information related to convictions as defined in Title V Chapter 341 Section 5301 Subsection.

## APPLICATION PROCEDURE

*The following procedures constitute the admissions process:*

- 1 Submit an NMCC application.
- 2 Submit official high school transcript and/or HiSET/GED scores (current senior's ranking period grades).
- 3 Official college transcripts for applicants who have attended other post-secondary schools.
- 4 Two confidential recommendations from professional or academic sources.
- 5 Essay
- 6 Personal interview with the Nursing Admissions Committee.
- 7 TEAS (Test of Essential Academic Skills) scores.
- 8 A campus tour is highly recommended.

**Note: Criminal history record search will be completed by NMCC personnel. Prior criminal convictions may preclude program admission and licensure.**
