Request for Proposals
QUESTIONS AND RESPONSES**

March 10, 2020

Q1. Dual Inverter Set up – Is this 2 inverters you want? Or a inverter/charger?

R1. 2 Inverters

Q2. 2-Way Radio – Do you need us to provide the radios

R2. No

Q3. 2-Way Radio – do you have a brand preference?

R3. No

Q4. 2-Way Radio – Remote head preference or standard?

R4. Standard

Q5. 2-Way Radio – VHF frequencies?

R5. Yes

Q6. Two Suction Units – Is this two truck mounted suction, or is it a truck mounted and portable?

R6. Two truck mounted

Q7. Full bench on the curbside?

R7. Yes

Q8. Is there a height or length restriction?

R8. No

Q9. Would the committee consider a Type I ambulance?

R9. As stated in the RFP: Used and Demo Models will be considered, year and mileage must be indicated on the proposal. Vendors are invited to submit proposals for more than one Ambulance to be considered.

Proposals for Type 1 Ambulance will be considered, however preference will be given to proposals that meet all features indicated in the RFP.

Q10. What color is the truck?

R10. Ideally it would be white we plan to paint the ambulance here at NMCC

Q11. What kind of striping is on it?

R11. None we would do this here at NMCC, a blank slate would be ideal

Q12. Is there a certain way you want the 2-inverters set to? Or will they be in line?

R12. There is no inverter setting specification
