Northern Maine Community College Security and Safety Campus Crime Report 2022

The following policies and procedures are provided as part of Northern Maine Community College's commitment to safety and security on campus and are in compliance with the Clery Act of 1998. Northern Maine Community College is a public college located in the city of Presque Isle, Maine. NMCC is one of seven campuses that comprise the Maine Community College System. There are approximately 800 students currently enrolled at the college and the campus employs approximately 100 faculty and staff. The college has been firmly committed to honest and timely reporting of all crime statistics and remains so under the Jeanne Clery Act of 1998.

Overview

Northern Maine Community College strives to provide a safe and secure environment for its students and employees. Numerous programs occur throughout the year which help attendees become more aware of crime and more importantly, how to help prevent it.

Annually, programs such as: Acquaintance/Date Rape, Operating Under the Influence (OUI) and Alcohol & Drug Education Programs occur on campus. Also, programs regarding self-defense, women's issues, harassment, preventing theft in campus housing and others occur on campus. All members of the campus community are encouraged to attend; look for notices in college email, the "Announcements" and "Activities Calendar" sections of the student portal, and on campus bulletin boards.

Adding significantly to the campus' overall sense of security are the college's own security officers. While empowered to control and/or apprehend individuals violating laws or policies governing the safety of individuals on campus, Security personnel work closely and cooperatively with the Presque Isle Police and Fire Departments. The campus security staff also maintains radio contact with the local and State Police.

Even though NMCC strives to maintain a safe and secure environment, students and employees must know how to act and who to call in an emergency situation. Students in campus residences are instructed to contact the Presque Isle Police Department or any residential life employee who will, in turn, notify the appropriate emergency officials in accordance with campus and department policy. The Residential Life Office is located on the first floor of Andrews Hall; the telephone number is (207) 768-2797. All other emergencies and reports of crime are to be made directly to the Presque Isle Police Department who will, in turn, notify the appropriate College official. **Remember – any emergency situation should be reported directly to the Presque Isle Police Department** who will in turn, contact NMCC personnel.

Emergency telephone numbers include:

Presque Isle Police Department: 911 or (207) 764-4476

Presque Isle Fire Department/Ambulance Service: 911 or (207) 768-7411

Anyone with questions regarding campus security and the crime awareness report are urged to contact the Dean of Students Office. Specific campus policies regarding conduct are found in NMCC's student handbook, catalog, Faculty & Staff Handbook, housing contract, MCCS Policy and Procedure Manual, alcohol and drug flyer, sexual harassment brochure, college website, and the student portal.

Reporting of Criminal Actions or Emergencies

The Presque Isle Police Department, in association with the Maine State Police, is responsible for law enforcement and emergency police response at Northern Maine Community College. NMCC security personnel act in a supportive role to these two lead agencies. All emergencies or occurring criminal actions should be reported directly to the Presque Isle Police Department by dialing 911 or (207) 764-4476. The Presque Isle Police Department is located at 43 North Street, Presque Isle and is staffed 24 hours a day, 7 days a week.

The campus Security Office is located in the Akeley Student Center. Campus security can be reached at any time by dialing (207) 551-5765 (cellular). Campus security responds to all reports of criminal action or emergencies and initiates whatever action is necessary to resolve emergencies 24 hours a day, 7 days a week.

Crimes, not of an emergency nature, may be reported to several campus offices which will, in turn, assist the individual filing the report. The Dean of Students Office (207) 768-2792, the Dean of Physical Plant and Technology (207) 768-2706, the Director of Residential Life (207) 768-2795 and the campus Security Office (207) 760-1108 are all equipped to assist those reporting non-emergency crimes on campus.

Access to Campus Facilities

Most NMCC campus building and facilities, with the exception of residence halls, are accessible to the campus community, guests and visitors during normal business hours, Monday through Friday.

Access to Campus Residence Halls

Exterior residence hall doors are locked at all times. Students must use an Access ID Card for access. Students are forbidden to remove exterior screens from their windows. First floor students are cautioned to keep their windows locked at all times.

Maintenance and Security of Campus Facilities

NMCC maintains a strong commitment to maintaining a safe level of exterior lighting. Campus security officers routinely survey existing lights and recommend maintenance of existing light and additional illumination as required. Members of the campus community are encouraged to report any exterior lighting deficiencies to the campus Maintenance Department (207-768-2702) or if in the campus residence areas to the Director of Residential Life (207-768-2795). Exterior doors on campus buildings are locked and secured each evening and security personnel check all buildings, including residence halls, throughout the night. The on-duty security officer will also survey and report any possible security problems with doors. This is given a high priority, and if the problem represents hazard a maintenance person will be called in immediately to make the necessary repairs or adjustments.

New Student Orientation and General Awareness Training

New resident students are given awareness training during fall orientation and throughout the fall semester on crime prevention and reporting, and rape and assault awareness. The college's crime prevention efforts are based on the dual concepts of eliminating or minimizing criminal opportunities whenever and wherever possible, and encouraging students to be responsible for their own security and the security of others. The residential life staff is given security training during the week prior to school opening and is given refresher training during weekly staff meetings. Security is always a topic of concern among the staff because of the remoteness of the campus and the general complacency that can occur when serious incidences do not often happen. All members of the residence life staff are certified in first aid and CPR. Residential life also maintains an emergency telephone on-call system and can provide immediate backup for any emergency call to outside emergency response authorities. The college is committed to maintaining a safe and secure campus environment so that education

and personal development can continue to be our students' primary concern. Nevertheless, freedom from worry never means freedom from responsibility and awareness of the potential for crime.

Alcohol Awareness Program

Northern Maine Community College along with the other colleges of the Maine Community College System view alcohol and substance abuse as a serious problem. In compliance with the Drug Free Schools and Communities and the Drug Free Work Place Act, the college publishes and distributes annually a booklet which informs all students and employees of NMCC's substance abuse policy, sanctions for violation of the policy, and State and Federal alcohol and drug laws, offenses and sanctions. The booklet, 'Alcohol and Drugs, What every student and employee of the Maine Community College System should know about the use of alcohol and illegal drugs,' is available [online](#) or by contacting the office of the Dean of Students, (207) 768-2792 or the office of residential life, (207) 768-2795.

Alcohol Sanctions

In general, the sanctions for underage drinking, providing alcohol to a minor, and behavior while intoxicated increase with the number of incidents and the severity of the incident. Sanctioning is administered by the Director of Residential Life, the Dean of Students, or the college disciplinary committee. Sanctions include, but are not limited to, an alcohol education program, campus or community service, probation, suspension or cancellation of housing contract.

Law Enforcement Authority and Interagency Relationships

Campus Security and the Director of Residential Life maintain a close working relationship with the Presque Isle Police Department, the Aroostook County Sheriff's Department and the Maine State Police. College security personnel patrol the campus on foot and in a vehicle during evening hours. Their patrol routes are varied and the hours are random. They are in constant communication with each other and with appropriate authorities through hand-held, two-way radios and cellular phones. They are authorized to stop any individual on campus during the late evening hours to determine whether they can be of service to the person. They also operate as backup to the residential life staff. Through interagency agreements between local law enforcement agencies and the security supervisor, any reports of criminal activities associated with student organizations off campus are shared or reported to the appropriate college personnel and departments.

Procedures for Campus Disciplinary Action

1. The accuser and accused will have the same rights to have others present at any hearing, including the assistance of an advisor and/or legal counsel.
2. The accuser and accused will both be informed of the outcome of any such hearings when the charge is a violent act.
3. Reports that are deemed to have possible Title IX offences will be processed through the College's Title IX policy. The accuser and accused will be informed of the Title IX policy process by the appropriate College Title IX officer.

Victims must be informed of their options to notify proper law enforcement authorities, and their option to be assisted in doing so. If a rape or sexual assault is reported to any college official other than the security supervisor, the victim will be informed of their option to notify proper law enforcement authorities and will be assisted in doing so if requested.

The entire Student Code of Conduct is included in the Student Handbook and is available in print form from the office of the dean of students or is available on the web at:

SUBSTANCE ABUSE POLICY

MCCS policy recognizes that substance abuse is a complex problem that is not easily resolved solely by personal effort and may require professional assistance and treatment. Accordingly, each campus and the System Office

have designated an individual to assist employees and students who seek referral for a substance abuse problem. Students, faculty and staff members with substance abuse problems are encouraged to take advantage of available diagnostic, referral, counseling and prevention services. However, employees and students availing themselves of these services will not be granted special privileges and exemptions from standard personnel practices applicable to job performance requirements and from standard academic and student conduct requirements. The MCCS will not excuse acts of misconduct committed by employees and students whose judgment is impaired due to substance abuse.
