

BUSINESS ADMINISTRATION

CAREER OPPORTUNITIES

Graduates of this program will be qualified for employment as:

- Accounting clerks
- Entry level managers
- Loan officers
- Federal & state government employees

Besides providing training for employment, the business administration program prepares students to continue their education in pursuit of a bachelor's degree. Transfer agreements with several colleges and universities ensure that graduates can transfer as juniors. These two-plus-two agreements equal lower tuition costs for students when completing the first two years of their baccalaureate degree at NMCC.
