Sources of Support and Sponsor's Guarantee

As a non-US applicant, it is a requirement of the US Customs and Immigration Service (SEVIS) and NMCC that international students provide proof of financial support to cover tuition, fees, and living expenses during the first year of study in the US. We will be unable to issue an I-20 before we have received verification of adequate funding. For a calculator to estimate current expenses for study at NMCC, please visit https://my.nmcc.edu/ICS/Students/Financial_Aid/Cost_Estimate.jnz.

Attach Financial Documentation

All financial documentation must be shown in US dollars, no more than one year old, and written in English. Proof of funds typically includes bank statements, letters of credit, mutual fund statements, profit/loss statements and scholarship letters. Provide a letter from your sponsor indicating the amount to be provided on your behalf. Organizations and/or companies should provide an award letter outlining the details of the award, that the funds are currently available and the length of time of fund availability. All documents must be signed and dated and include the address of the sponsor.
